

Beer Menu:

The below beers are available to pre order for your event and are great served in the stretch marquee either during the drink's reception or the evening change around. Please insert which beer you'd like into your planning document. See also bar menu for other beers which will already be available at your event. If you would like anything that's not on our menus do just ask your planner 😊 Remember we stock the Luxters Knot on draft on both bars which is a lager.
